Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant (Zhongze "Gordon" Bai) was informed that Philip Yu was no longer the attorney of record due to the filing of withdrawal as attorney submitted by Philip Yu. Gordon indicated that Philip's presence for the interview was approved. During the interview, applicant explained the main differences between the instant application and the applied references. The Examiner indicated that the applied references more than adequately meets the claim language of the instant application. Applicant was advised to file a formal response and consider as a guide the Advisory Action options such as an amendment, notice of appeal, or request for continued examination. The Examiner will consider the formal response and respond accordingly.
